ABOUT CANNON FALLS

Cannon Falls, MN is a community of 4,220 conveniently located between the Twin Cities and Rochester; Red Wing, Northfield and Hastings. Whether you are single, starting a family, an empty nester or retired, Cannon Falls has many things to offer in our community from retail, recreation, world renowned health care. The school district ranks in the top 15% of schools in the state* and the technology and a curriculum is marveled by many metro school districts.

Hardwood Estates housing development has something for everyone. It is 40+ acres on the easternmost edge of Cannon Falls located directly across from the Cannon Falls Area Schools. It is also flanked by two churches at the intersection of Hardwood Way/Hwy 19 and County 24. The development is nestled at the base of the bluffs, offering a sense of the countryside with the amenities of the city. Once developed, this neighborhood will have a mix of twin homes and single family homes to suit the community's needs.

The Cannon Falls Economic Development Authority are the owners and developers of Hardwood Estates and we would like to be the first ones to welcome you to Cannon Falls!
